- Who's who
- Elected new co-chair : Fazal Kareem
- Discussions and ideas:
  - Discussion on ways in which we can bring most of the outreach details from all member collabs to a single place (iGrav)
  - We will try to contact and invite more people into the work group
  - The details of all work group mailing lists and co-chairs will be added to the website for ease of access
  - Create a network of single contact points with all the member collaborations for the fluent communication between all collabs and also for better outreach
  - Since every collaboration will have an evolving outreach system, more internal discussion and discussions within the collaborations are required.(IPTA agreed to discuss in the collab in 3 weeks)
  - The need and logistics of social media accounts and outreach will be further discussed in another meeting.
