

Creative Workshop: Producing high-impact visual resources for ET

Wednesday 28 May 2025 17:45 (40 minutes)

We will develop first ideas for interesting & informative visual outreach materials, exploring the science, technology, international team & social impact of the Einstein Telescope. We are looking for input from ET members across the project, working in different areas and roles.

For talks:

Authors: RIEGER, Sascha (LVK/LISA/ET); Dr CONTI, Livia (INFN); Dr CORDERO, Isabel

Presenters: RIEGER, Sascha (LVK/LISA/ET); Dr CONTI, Livia (INFN); Dr CORDERO, Isabel

Session Classification: Communications
