# Wikipedia Edit-a-thon

Co-organised with **student societies** at the University

Free and followed by public lecture by **Erin Macdonald**

**Jess Wade** will lead the session

**Expertise and suggestions for pages to update** are welcome. We are especially interested in biographies of scientists from underrepresented demographics

# Engagement Program

**‘Internal’ facing outreach  
(engaging conference  
attendees)**

- Thursday 10<sup>th</sup> – Saturday 12<sup>th</sup> – Early Career Workshop

# Engagement Program

- Thursday 17<sup>th</sup> July – Conference Dinner with *Gravitational Ceilidh*

The GR/Amaldi conference dinner will feature a Gravitational Ceilidh\* in collaboration with The Science Ceilidh.

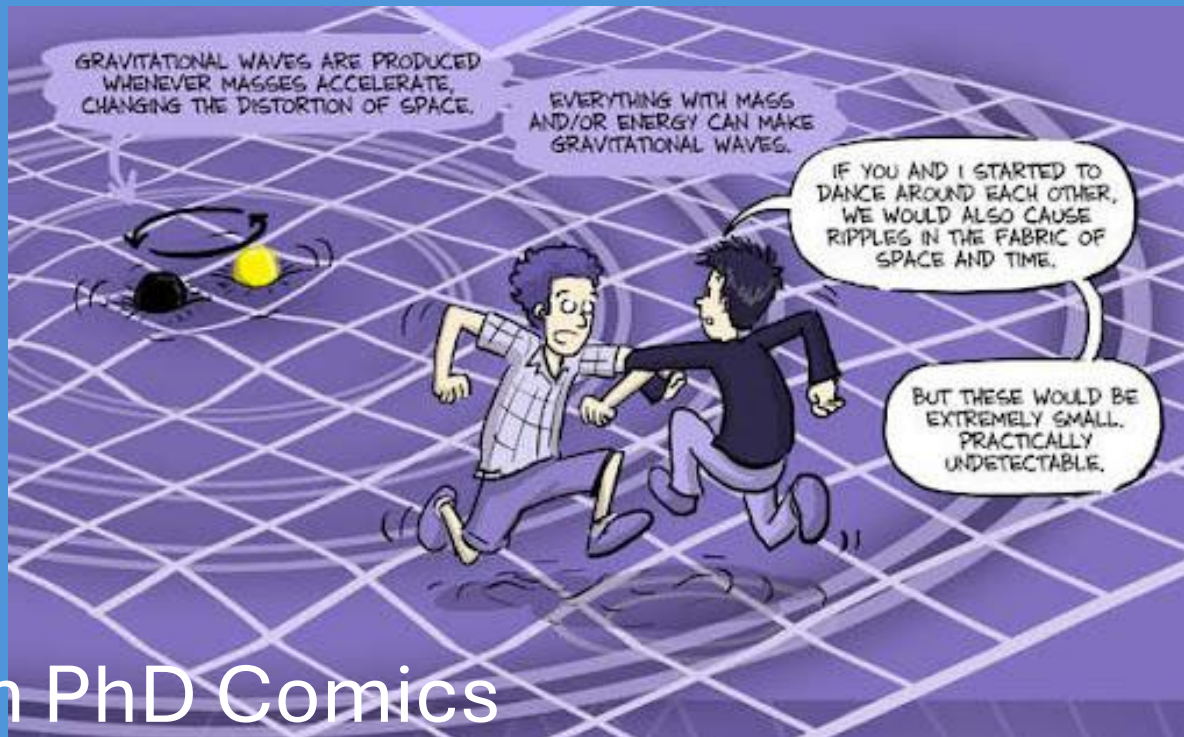

\* A Ceilidh is a traditional social dance from Scotland. There is no pre-knowledge or ability required, it is a very open and welcoming event, and very active!

# Engagement Program – Call for Contribution

- Wednesday 16<sup>th</sup> July – Public Lecture by Carole Mundell
  - Including showcase of science engagement resources and activities

If you or someone from your group is coming to GR/Amaldi and you have an science communication demonstration that you could bring we would like to invite you to be part of the ‘showcase’ of science engagement.

We will be sending out a sign up sheet soon.

# Engagement Program – Call for Contribution

- Sunday 13<sup>th</sup> July – Wikipedia Edit-a-thon

We are collecting submissions of ideas for pages that need creating or improving.

<https://github.com/cplb/edit-a-thon>

This is to improve science literacy and biographies

# Engagement Program – Call for Contribution

- 14<sup>th</sup> – 18<sup>th</sup> July – Art Science Showcase

We are collecting submissions of art work inspired by the scientific topics of the GR/Amaldi conference.
